

A number of our professors have been named to important new positions this year! Take a look below to find out more about recent CEIBS faculty appointments.

Professor of Economics and Associate Dean and Director of GEMBA Programme

March 27 “This is how entrepreneurs think – it is not by saying, ‘I would like to start a business,’ but by facing a challenge.”

Diario Financiero

April 1 “The geopolitical context and China’s economic recovery offer a window of opportunity to deepen trade ties over the next three years, particularly for EU countries.”

ABC

April 10 “The joint visit of the French President and the President of the European
